

Fact Sheet

Transactis, Inc. is a leading provider of email based Electronic Billing Presentment and Payment (EBPP) solutions. The company's products include BillMail® and BillerExpress™ which are currently being used by companies belonging to sectors like healthcare, utilities, government, finance, education, insurance and property management.

BillMail®, the company's prime offering, uses the breakthrough PDF push technology to make the process of billing easier - for both billers as well as customers. BillerExpress™, on the other hand, is a hybrid e-billing solution with easy implementation capabilities for banks and treasury clients. The Electronic BillStuffer™ complements both BillMail® and BillerExpress™ by presenting targeted marketing messages and notification inserts.

Headquartered in Charlotte, North Carolina the company is managed and guided by pre-eminent personalities from the financial services industry.
